

Partners in Ministry

CSB Ministries partners with churches to develop effective Christian leaders who will win others to Christ and guide their development into mature adults. Your church's financial commitment enables us to work together with you to:

- develop and provide materials for your men and boys.
 - train men to be effective leaders of boys.
 - guide boys toward becoming effective, responsible leaders.
 - provide regional directors to train and assist your leaders.
 - run multi-church events.

As a missionary service organization, CSB Ministries depends on gifts from churches and individuals.

Your church has an opportunity to share in our ministry by contributing to our general expenses, by supporting your regional director and by praying for our staff, churches' leaders, and the young men and boys involved in CSB Ministries.

Please return this form to indicate your support.
