MORNING SEMINARS

How to Transform Sinful Thoughts and Habits Steve Etner - The Pure Man Ministry

It is life-changing when we discover that at the core of our sinful habits is wrong thinking. Proverbs 27:3 says, "As a man thinks in his heart, so is he." We are going to discover - from God's Word - how to clean our thoughts and live as godly men.

Man Up! In Search of True Heroes Bill Gibbons - Christian Grandparenting (Seasoned Men)

Missing real heroes in their lives, many children adopt heroes of dubious character based solely upon popularity or the promise of something to fill the void in their life. Boys seem to bear a particularly high price for that void. This scarcity of godly, paternal influences in the lives of our children and grandchildren has produced a serious problem-the hearts, minds, and souls of another generation are being taken captive. New heroes are needed - Grandfathers can be that kind of hero.

Real Men in a Real Marriage Arnie Guin - Cornerstone Church

What does it take to be a real man within the context of our marriage? Too many men think they need to give up their manhood to have a happy marriage. God's design is to continue to grow in our manhood while loving our spouse the way she uniquely needs to be loved. Join Pastor Arnie for this practical seminar for tips on how to hold on to your manhood while loving your spouse.

Power to Live Today Mike Masters - CrossTraining Athletics (Emerging Men)

Jesus said, "Most assuredly, today you will be with me in Paradise." Also, "Assuredly I say to you, if you have faith and do not doubt.." Jesus makes many of these assuredly statements which encourage us for these end times. Now is not the time to shrink back, but to step up. This seminar will encourage, equip, and empower you to live for today.

Men's Ministry That Works 101 Adam North - Every Man a Warrior (Pioneering Men)

From following The Leader's Guide, to laying your life down for The Brethren - come and get the training you need to help the souls GOD brings to you to Walk with Him, succeed in life, and spiritually multiply.

From Crisis to Christ, Journey of a Father Steve Demme - Building Faith Families (Full Throttle Men)

With all of the best intention, Steve set out to be the best Dad he could be for his four sons who are now adults. This adventure in parenting is a lifelong process and he is still learning how to have his heart restored to his children. As a dad he made many mistakes and had many of his own blind spots revealed. Thankfully God is a Redeemer and does work all things together for good.

Six Structural Elements of Effective Churches Vince D'Acchioli - On Target Ministries (for Pastors)

This powerful seminar examines the practices of churches that are bringing meaningful life-change and as a result are transforming their communities. In studying over 200 churches, Vince developed a comprehensive outline of best-practices from these churches. During this seminar you will have the opportunity to compare how your church is doing in six critical areas. The workshop is designed for Pastors, who are encouraged to bring their associates and elders.

Steve Pylypiak - Liberty Christian Coaching

In this interactive and highly engaging seminar, men will learn about how God views work and engages with it, common career struggles, why God created work, and what the Bible says about work. Men's Ministry That Works 101

Adam North - Every Man a Warrior (Full Throttle Men)

God's glory is secrecy. The glory of mankind is the search. (Proverbs 25:2) We're all Noah searching for the same mystery that filled a man with marvel while mankind drowned in madness. (Genesis 6:8, 8:1) The greatest discovery in life is Who finds you when you are looking for something else. (Ephesians 2:8-9)

Your New Money Mindset

Eric Roth - Thrivent Financial

Wealth has little to do with how much you have, but about your mindset for those resources God has given you. Learn about money as a tool, not a trainer.

Getting Into the Word

Brian Stebick - Camp Hickory Hill (Emerging and Pioneer)

While our society strays further from God, our culture and morals seem to be vaporizing. God, sensing our concern for our family, calls us to return to the WORD and be the man that God wants us to be - but how? We will look at specific biblical examples that will help us to understand God's instructions.

Tried & True: Essential Traits for Leaders

Ricky Jenkins - Fellowship Memphis

The culture's moral decline continues to impress itself upon the church in damaging ways. Broken families. Absent fathers. A lack of vision for the gospel-centered life. Leaders consume their time and energy attacking these issues. But what if the biggest issue is the leader himself? Whether a Pastor, ministry or corporate leader, or a Dad, your sound leadership is ESSENTIAL if we are to arrive at God's vision for better days.

Leroy Wiggins - The Chapel (Men's Ministry Leaders)

Equipping Seminars: Besides our keynote speakers, we will have two "breakout" sessions with eight workshops to choose from on topics designed to meet the needs of men.
