## MORNING SEMINARS

### **Mobilize Your Men to Meet Pressing Needs In Your Church** — *Herb Reese*

Learn about three types of pressing needs in your church--emergency, long term and catastrophic needs--and then see how the love of Christ can meet those needs by using teams of men. You will be given a proven and effective men's team ministry model that has been successfully implemented in over 400 churches nationwide.

### **You Are The Man for Her**

— *Reggie Holder - Pioneering/Full Throttle*

The greatness of man is revealed in many areas. Sports, education, sales or church, men achieve and advance with a confidence that had to come from the supernatural. Some of these same men cower and fade when challenged with loving their wives. The confidence to land the deal or win the debate disappears. Each man is equipped to win, born for this – but most men don't know it. Most have never seen it modeled but it is a part of every husband. You are the man for her.

### **A Kingdom Man Purpose**

— *Anthony Serrano*

Everyone is looking for a purpose. The amazing thing is that all this time God has made known our purpose. Jesus made our priorities very clear. Seek ye first the Kingdom of God and His righteousness. In this seminar we will be exploring who we are as men of the Kingdom of God and what is our purpose as Kingdom Men. Let us position ourselves and boldly make a difference.

### **Keys to Cultivating a Life of Wisdom and Courage**

— *Paul Downer — Pioneering/Full Throttle*

It's tough being a man today. We are surrounded by pressures and expectations that, if left unchecked, force us to live in survival mode. They push us to live reactive life focused on handling the stresses of the present moment and avoiding

failure. We were meant for more than this. We were meant for a life of wisdom and courage. In this workshop, I will share personal examples about his own battle to escape survival mode and learn how to cultivate a life of wisdom and courage.

### **Building An Effective Men's Ministry**

— *Adam Hultstrand - Men's Ministry Leaders*

A strong men's ministry is foundational to the church's fulfillment of God's great purpose for the world. With an effective men's ministry program, countless men will be empowered to change their lives and positively influence their families, communities, and church body. This seminar acts as a step-by-step guide for building a long-term men's ministry that works.

### **Modern Day Knights** — *Sam, Adam, Aaron and Josh Richbart - Emerging AND Full Throttle*

What Does It Mean to Be a Man? The medieval custom of knighthood offers a unique approach to shaping a boy into a man. Boys were trained from an early age, being equipped with a masculine vision, and a code of conduct. During the first half of this seminar, emerging and full-throttle men will meet separately. We will end the seminar together with guided discussions on raising Modern-Day Knights.

### **Sabbath: Finding Rest for your Soul**

— *Rob Dickerson*

It feels like life is constantly out of control. God's promise to rest runs against the grain of today's culture of busy-ness. Even when we do take a day off, it can be filled with activities that leave us physically rested, but not spiritually rested. Come learn how to practically apply ways to experience real Sabbath rest in today's society.

### **Nailing Your Colors To The Mast** — *Don Sunshine*

We will look into what it means to be an unashamed follower and Ambassador of Jesus Christ.

## AFTERNOON SEMINARS

### Making A Difference

— *Don Sunshine*

As followers of Christ we are commanded to make disciples. Disciple making starts by you telling someone about your faith in Christ. How do I recognize the opportunities? How do I beat the fear? What do I say? Learn how easy it is to do without fear or embarrassment in the “Lite” version of Don’s normal 4 hour Make a Difference lifestyle evangelism training.

### Parents of Adult Children Who Are No Longer Walking With The Lord

— *Herb Reese*

This seminar will focus on how to respond to prodigal children with love and patience and will provide an opportunity for everyone present to share their own experiences as parents of a prodigal.

### The 3 P’s – Priest, Prophet, Provider

— *Reggie Holder*

As our society continues to redefine many of the norms we’ve come accustomed to, there is a question which no one dares ask: What is the primary role of the man in the home today? Men are left to wander without direction or any viable solution. The real truth is that the organic roles of the male have never changed. So what’s the confusion? The confusion is these roles are not discussed. In the 3 P’s we reintroduce the God given positions all men are endowed with. It’s time to lead in all the places we were created to. Let’s take our positions so our families can follow.

### Avoiding the Pitfalls of a Seasoned Marriage

— *Phil Downer - Seasoned Men*

In this seminar, you will learn the keys to a joyful, fulfilling marriage. Love, teamwork, and sex - God’s way!

**Equipping Seminars:** In addition to our keynote speakers, men will have the opportunity to choose two “breakout” sessions, one in the morning and one in the afternoon.

### Sex – the Good, the Bad, and the Ugly

— *Adam Hultstrand*

Adam will speak transparently and candidly to the average Christian man about sex, pornography addiction, and a man’s biology. The seminar will lay a Biblical foundation that will strengthen a man’s identity and give practical tools to restoring one’s sexual choices.

### Capturing the Heart of Your Student or Child

— *Mike Masters - Full Throttle*

John 10:10 - “The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.” Satan wants to steal this generations heart, through lies and deceit. What are God’s truths that capture and win the hearts of His creation. We will explore how God will grant repentance so that we may know the truth and be able to guard the hearts of our students and children.

### Go For It!

— *Jay Trainer - Emerging/Pioneering*

Godly dreams and desires vs. our distractions and discounts. There are times when fear and shame take control of our hearts and we get to a place of personal distraction and discount. Our workshop time together will focus on Godly ambition to go for His dreams and desires for our lives.

### The Gospel – Chapter 2: Are You Still A Slave To Debt?

— *Robert Lewis*

Using Biblical truths and his personal testimony, Robert will discuss and equip you with the tools necessary to live a debt-free lifestyle. Learn how to embrace and enjoy the freedom we as Christians should be living without being burdened by debt.
