MORNING SEMINARS

The Battle Ready Believer — *Toby Quirk*

It is clear today that America's moral dignity has sunk to a desperately low level and the root cause is demonic. The only hope for victory is a powerful army of prayerful believers who are willing to become true soldiers in the cause of Christ. This seminar has a twofold purpose: to energize those men who are already enlisted in God's Army and to recruit new soldiers into His elite special forces.

The Very Best, Hands-on, Kinda Dangerous Family Devotions — *Tim Shoemaker*

This "hands-on" and "how-to" workshop will equip you to teach kids from 6 to 18-years-old about God in ways that they'll listen. Even if you've tried and failed before, you'll learn everything you need to know to start again--and succeed. We'll demo at least eight or ten devotionals you can use with your kids right away.

How to Transform Sinful Thoughts and Habits — *Steve Etner*

For the man who wants to glorify God with his life, but struggles daily with sinful thoughts and habits. This workshop will take you into the Word of God to discover how to glorify God in your everyday living, by first glorifying Him in your every moment thinking.

Digital Cocaine — *Brad Huddletson* — *Emerging/Pioneering Men*

What's the difference between half a line of cocaine and an hour of playing a video game? Nothing, as far as your brain is concerned. What do digital devices in the classroom contribute to focus and concentration? Nothing, as far as your brain is concerned. Whether it's gaming, pornography, cyberbullying, or the decline in grades, you'll get a look inside your wonderful God-designed brain to understand how it interacts with the exploding world of digital communication.

Sabbath: Finding Rest For Your Soul — *Rob Dickerson*

It feels like life is constantly out of control. God's promise to rest runs against the grain of today's culture of busy-ness. Even when we do take a day off, it can be filled with activities that leave us physically rested, but not spiritually rested. Come learn how to practically apply ways to experience real Sabbath rest in today's society.

Capturing The Heart of Your Student or Child — *Mike Masters*

John 10:10 - the thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly. Satan wants to steal this generations heart, through lies and deceit. What are God's truths that capture and win the hearts of His creation. We will explore how God will grant repentance so that we may know the truth and be able to guard the hearts of our students and children.

The Gospel – Chapter 2: Are You Still A Slave To Debt? — *Robert Lewis - Emerging/Pioneering*

Using Biblical truths and his personal testimony, Robert will discuss and equip you with the tools necessary to live a debt-free lifestyle. Learn how to embrace and enjoy the freedom we as Christians should be living without being burdened by debt.

Seminar for Seasoned Men — *Crawford Loritts - Seasoned Men*

AFTERNOON SEMINARS

Becoming the Man God Designed You To Be

— *Tim Shoemaker — Emerging Men*

In our culture, it's hard to know what a real man looks like. Sitcoms often portray men as boys who shave on occasion. Celebrities often don't have a handle on what it is to truly be a man. But deep down inside we all want to be one. We hope we have what it takes to be one. Today we'll look at marks of the man God designed you to be and steps to get there.

Overcoming Temptation: 4 Steps to Spiritual Victory

— *Steve Etner*

Every one of us struggles with temptation. We try not to give in — sometimes successfully, other times not. How can a man live in consistent spiritual victory? This workshop will take you into Scripture to discover the 4 steps to overcoming temptation.

Digital Cocaine — *Brad Huddletson*

What's the difference between half a line of cocaine and an hour of playing a video game? Nothing, as far as your brain is concerned. What can you do to be effective at multitasking? Nothing, as far as your brain is concerned. Whether it's gaming or pornography, you'll get a look inside your wonderful God-designed brain to understand how it interacts with the exploding world of digital communication and how you can keep your family safe.

Bring God's Design Into Your Marriage

— *George Hoage*

In this seminar you will learn the Four Keys to bringing God's design into your marriage.

Pure Joy: Perseverance in the Ring

— *Dean Tzounakos*

Men take plenty of punches in life and they can be hurt. We'll develop Biblical strategies to withstand the hits and how to counter punch. We'll look at God's Word toward finding joy within our fights & battles.

The Spiritual Battle for America's Soul

— *Toby Quirk*

Discuss current state of America's moral condition, rising above the political chaos, focusing on the unseen, not the seen — the eternal, not the temporal. Learn the unique power for Christian men to bring godly standards back to this country, and strategies and tactics to win the victory for Jesus.

Heart-Shaping Discipline — *Patrick Medeiros*

The journey of caring for, rearing, training, and loving our children will profoundly transform us forever as we become an agent of the Gospel of Jesus Christ to our children. Heart-Shaping Discipline shapes our souls and forms the character of Christ within us and helps us look at parenting from a different perspective. This seminar will help equip fathers to help equip their children for life and ministry service.

A Bold Witness! — *Bryndan Loritts*

In this seminar, you will be equipped to take the power of the Gospel beyond the four walls, and encouraged to be effective witnesses where you are.

Equipping Seminars: In addition to our keynote speakers, men will have the opportunity to choose two "breakout" sessions, one in the morning and one in the afternoon.
