Living Work as Worship
Michael Wozniak, Owner
Avodah Faith Ministries
Grand Rapids, MI

As believers we have been conditioned to think ministry is only suppose to happen in church on Sunday yet; of Jesus' 132 public appearances in the NT, 122 were in the marketplace. Of 52 parables Jesus told, 45 had a workplace context. In Luke 5, Jesus gave advice to a seasoned fisherman to

throw his net to the other side of the boat during daytime, and when he did, this slight shift in strategy yielded a lotto of fi\$h! There are deep truths for each of us personally, in growing our business, and living out our faith at work that are hiding in plain sight. Join me in learning how to live work as worship and consider joining or leading a mens group in your city!

Identity Theft
Don Cochran,
Camp Director
Camp Kaskitowa | Allegan, MI

We can be the men God says we are, not what the world or our feelings say.

Godfidence
Lyle Johnson, Founder
Get Fit 4 Christ
Memphis, TN

The definition of Godfidence is knowing God is in control. This seminar will show you how to achieve your goals in three key areas of a godly man's life - Family, Fitness and Faith.

Endurance

*Kenny Luck,
Author & Founder
Every Man Ministries
Mission Viejo, CA*

No man fights to start a race but every man fights to finish it. No man plans to give up but every man's commitment will be tested by time, pressure, and obstacles. In your spiritual journey which the Bible likens to a race, God says you need endurance. The question is: do you have it? Come and learn the why and the what of spiritual endurance because we all know it doesn't matter how you start but how you finish.

Call Me Dad; Becoming the Dad You Never Had

*Ed Babcock,
Parenting Consultant
Ed Babcock Consulting
Somersworth, NH*

50% of dads in America grew up in a Fatherless home. I share simple guidelines and offer practical tools about how to become a great dad even if you grew up without a role-model. I tell dads . . . You can do this.

The Price of Purity

*Shane Idelman,
Founder & Lead Pastor
Westside Christian Fellowship
Lancaster, CA*

The enemy attempts to draw us away from God's holy standard. I vividly remember a story of a young boy who kept falling out of his bed. He finally asked his mother why he kept falling. She wisely answered, "It's because you don't stay far enough in." In the same way, many of us fall back into sin because we don't get far enough into God's framework of safety and protection via holiness. In the words of Isaac Watts, "True Christianity, where it reigns in the heart, will make itself appear in the purity of life."

Becoming a Church that Welcomes Immigrant Neighbors

*Dr. Bernard Ayoola, Director
The African Resource Center
Grand Rapids, MI*

Why do recent immigrant Christians leave the established churches to start their own ethnic congregations? What can we do to keep them? During this session, participants will learn the key social and spiritual challenges confronting recent immigrants as they integrate into the North American culture. We will also discuss how monoethnic churches can meet the spiritual needs of people from diverse ethnic backgrounds.
