2020 IRON SHARPENS IRON
HYBRID VIRTUAL CONFERENCE
November 6 & 7
Friday Evening to Saturday Morning**

Iron Sharpens Iron one day Men's Conferences have been running since 2001 with tremendous interest across the country and especially in the North East. Last year over 700 men gathered in Buffalo, and approximately 575 men attended in Rochester. We look forward to getting back to these in person conferences, but for now we are excited about offering a Hybrid Virtual ISI Men's Conference. Visit csbministries.org/isi2020/ to see our three keynote speakers (including Reggie Dabbs) and our twenty-two equipping seminars.

Men from across Western NY and across the country will be participating and we would love it if you were able to share your ministry resources with the men. The platform we are using allows us to organize a Virtual Exhibit Hall. From your home or office, you can share your ministry, sell your books, and make yourself available for virtual face to face conversations with the men who attend.
