MORNING SEMINARS

Faith & Reason Made Simple — *Rick McGough*

Our greatest possession in life is our faith! It is that which is eternal and determines who we are! Our faith, and the faith of our family members is under attack in America today, loud voices proclaiming we have to choose between faith and reason! They say science has proven there is no God and that the Bible is a book of myths & fairy tales. Their lies often go unchallenged because most Christians have never looked at the overwhelming, marvelous evidence confirming what we believe as Christians—that God created us, that the Bible is God’s Word and that Jesus is who the Bible says He is. In “Faith & Reason Made Simple,” Rick will reveal areas of evidence that confirm our Christian faith which are easy to grasp and share with others! Every father needs to be a protector of his family, and that is certainly true of the greatest possession each family member of your’s has, their faith! Let’s get better equipped for this battle!

Old Iron and New Swords — *Dale Kinkade*

– *Pioneering and Seasoned Men*

“Old guys are out of touch.” “Young guys are clueless.” Don’t tell that to Paul and Timothy! God never meant for you to hang out with your own generation alone. Let’s bring men together.

Being Equipped for the Sexual Integrity Battle —

Dan Wobschall

The active word in this seminar’s title is integrity. Preparing to battle against the attack on men and our sexual integrity may never have carried more importance and weight in our lives than today. You will be given four practical steps in this seminar, and will be ready to walk out to engage the enemy head on.

The Purpose of the Bible — *Ralph Essery*

Christian men who have thought of the Bible as a “rule book” to learn from and live by, likely live a life of frustration, shame and guilt. To know and understand the REAL purpose of the Bible

opens the door to living the abundant life Christ said was open to believers.

Survive and Thrive Beyond Your Divorce — *Dale Brown*

Men’s Divorce Recovery began in 2016 when Dale went through his own divorce after 32 years of marriage. Convinced that every divorced man can experience God’s love and transformation, Dale launched MDR to help men find God and His plan for the second half of their lives. This seminar will tackle the unique challenges facing divorcing and divorced men.

A Consecrated Generation — *Jay Perillo – Emerging Men*

This seminar will discuss living a life set apart from the world so you can be set apart for God.

The Marriage You’ve Always Wanted....Starts Today — *Rob Thorpe*

Marriage is tough, but God knew that when He created it. He also knew that it would serve as His primary training ground to fashion us into the men He has called us to be. Men like to get to “the bottom line”, and that’s exactly what we will do in this honest, straightforward look at how to enjoy marriage as God intended it to be.

Relationships: Get Ready For Some Changes

— *Jason Drapeau*

Healthy family relationships and deep friendships are difficult, often falling into tension and disarray. But men can take the lead in changing the slide of relationships—through transformational changes. This seminar hits the practical as well as Scriptural and is intensely relatable.

AFTERNOON SEMINARS

Being a Father to the Fatherless — Mike Hennessy – *Full Throttle*

Fatherlessness is at the root of every chronic, cultural problem we face. Poverty. Addiction. Domestic Violence. Crime. Education Crisis. Teen Suicide. The world tries to tell us we don't need fathers, that fathers are toxic, but that's not what God thinks. Jesus says, "I do nothing that I do not see my Father doing."

Equation: Diet + Exercise = or ≠ Greater Faith & Service? — Leroy Wiggins

No that's not a question on any SAT test, but it is a question that I've heard before and you likely have as well. The bible teaches us about our body being the temple of God; we read of fasting and a few verses even about physical fitness as well as running a race. But does Diet + Exercise = or ≠ Greater Faith & Service? Let's chat about that for a bit. No food allowed in this session :)

Washing Coffee Cups at Work — David Miller

Jesus was the prime example of Servant Leadership, in this seminar we will learn we are most effective when leading by example.

Ministering to the Hurting Men in Your Church — *Dale Brown*

The Bible is filled with expressions of pain, suffering, grief, and hurt. The Bible was written by men, and men CAN express pain as evidenced by the Bible. However, in our culture men are NOT allowed to express or work through their pain in any meaningful way. Hurting men are at a crisis point and they are in your church. If the church can help men heal, the world will gain a mighty force for good. If the church fails in this, the world ends

Equipping Seminars: In addition to our keynote speakers, men will have the opportunity to choose two "breakout" sessions, one in the morning and one in the afternoon.

up with a broken, bitter angry man. The stakes are high! Learn how to help men transform their pain instead of transmit it.

Men of God, Living in the Last Days — Rick McGough

We find ourselves living in unprecedented times. Are we in the last days? How can we know if we are? What does the Bible tell us about these times? What are proper responses that believers should have to these times? Will the Rapture occur any day? Is an end time revival and harvest of souls coming soon? How should men live and lead their families in these days? These questions and more will be addressed in this seminar.

Leadership in a Changing Culture — Wayne Burroughs - Men's Ministry

Gain knowledge and insight with information gathered from what thousands of churches are seeing and doing over the last six months. Get a look at the best practices regarding church ministry that show promise within each generation in a post COVID culture.

Sexual Integrity for Teens — Dan Wobschall - Emerging Men

This session is an honest discussion about the pursuit of sexual integrity for teen men today. We will see how integrity is not primarily achieved through self-control, but our relationships with God and each other.

VICTORIOUS - Winning the Battles for You and Your Family! — Rob Thorpe

You, your wife, and your kids are ALL under attack. Is spiritual warfare actually real? If so, what is it, how do we recognize it, and how do we live victoriously? Our enemy is not a guy dressed up in a red suit with horns-he is diabolical, relentless, and has declared war on everything and everyone you hold dear. Whereas Jesus came to give us an abundant life, Satan's plan is to "kill, steal, and destroy" all of it. Yet God gives us everything we need to live in victory... if we choose to.
