MAKE A DIFFERENCE IN THE LIFE OF A BOY

WHO WE ARE

You can make a meaningful contribution to Christian Service Brigade by sponsoring Pedaling for a Purpose. Since 1937 Brigade has been making a difference in the lives of boys and men. We know the importance of mentoring. We equip men with the tools they need to mentor boys of all ages as they grow into manhood. We see the devastation of fatherlessness and the destruction it leaves behind in the life of a boy as he becomes a man and father himself. Brigade is here to step in and reach out to both men and boys. Our boys will be mentored by someone. The question is, who will play that vital role? CSB helps to create a context, content, and culture designed for boys and men to thrive as they grow together and become the leaders of tomorrow.

WHAT OTHERS SAY ABOUT US

“What I really remember about CSB is not what we did or learned. I remember those men pouring their lives into me, living their lives in front of me, challenging and training me to live as a man of God. That’s the key: relationships.” Brett Clemmer, President, Man in the Mirror
